**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use and support a local broadband provider in my area, and it has been one of the best choices I have made. Local providers care more for the local community than any large company will. Having a local broadband provider has changed the way I view ISPs, and I do not support any legislation that will limit the ability of broadband competition.

Thank you.
